“ Doris was my special friend. We were Co grandparents , and co mothers in law, something we enjoyed very much together. Much the same tastes and attitudes, a nice combination, I will miss her.

“ Grandma Doris will be greatly missed. I will remember the scent of grandma's home baked cinnamon rolls, the popcorn balls she would make around the holidays, the homemade play-dough and the nature walks that we would take when we would visit. We love you and miss you grandma.
