PS

“ My husband is and has been chaplain at Waterford (now Touchmark) Retirement community for 15 years, and we have been having services there every Sunday for all these years. Doris came faithfully to our regular service at 3:30 P.M. for a long time, then she went into special care and came to our services in Devonshire. She was a very special lady, and we missed her when she left. We looked here to see if there was an obituary but found none. We have wondered where she went and how she was doing, but we didn't have any way of finding out--privacy issues, it's called. Please accept our sincere sympathy, but we know that Doris is in a better place, and we are happy for her.
