“ Dottie was the most amazing person. She was a great inspiration to me & many others. Having her for a sorority sister & friend has shown all of us what you can accomplish no matter what your obstacles are. Her loss left a BIG hole in many of our lives. I know that she is looking after all of us & I feel blessed to have had her in my life.

“ My mother was a beautiful woman loving mother, and my best friend. On many days my mom and I would talk for hours on the phone with each other. It got so bad that we had to get her to put me on her cell phone plan because her cell minutes were through the roof. We did not have the option of having verizon in our area at that time. She was able to share so many experiences with us girls through out our child hood that I will forever hold onto dear. I love you Mom. I will keep Conner till he is ready to meet you at the bridge. Then you both meet me there when I catch in 60 years.

“ Growing up, Dottie was my idol, 3 years older than me, I wanted to be just like her. She had lots of Barbies to play with and a pogo stick! I got to borrow 1 of her fancy dresses to wear to a school dance once. One day, she, I and 1 of her friends were walking somewhere, I got bit by a dog and we had to go back home, Mom took me to the Dr. I was more bummed that I wasn't able to finish the day with Dottie than I was about being bitten. Because we were so close in age I grew up thinking of Dottie as my friend more than my Aunt. We shared many things; going to movies, out to eat, going on trips, ski hosting at Timberline, golfing, and sharing sorority. While we grieve our loss, let's remember the positive, Dottie's hands, feet and eyes no longer pain her. She has not left us, we each have memories of times we shared with her, she left her stamp on our hearts. I will miss my Aunt, my friend my sorority sister.

“ My condolences to the Wooldridge Family, During this time of great sorrow, may it comfort you to know that others are deeply touched by your loss. I too know the pain of losing someone dear. Even though our hearts are broken, rest assure that our Grand Creator cares about you personally (1Peter5:7) and can help you though this difficult time. Revelation 21:4 speaks of a time soon when God will do away with death forever. There will be no more sorrow, heartache, or pain. May your happy memories and sure scriptural hope comfort your hearts during this painful time.
