“ Grandma, Heaven has gotten another beautiful angel. There are not enough words, to say how much you are missed and loved. I wish i had one more day with you. To kiss and hug you. Never let you go.to say i love you.one more time. You will always be with me.always in my heart. I miss your laugh and smile.i know you will look after us. Our guardian angel from above.go play in the butterfly field. No pain, just happiness now.full of love. I love you so much grandma. And i miss you so much.till we meet again. I love you.
