“ Dear Paul and Family, As we go through life we meet so many people but on a rare occasion we have the good fortune to meet and become friends with someone as special as Dorothy. I don't have to tell you and your family how special she was and how blessed you all were to have shared her love and life long companionship. We are sorry she is no longer here with you, however she will forever be in your memory and heart. Sincerely,  
Dean and Trudie
