“ I have many great memories of Dot. The earliest are of her babysitting me in her small house on the flats in Butte, Montana. Other special memories include hiking to the water reservoir south of town or eating pasties at the Columbia Gardens. Dot made very good pasties! She always seemed to be laughing and smiling and was very fun to be with! I know she will be missed by all who knew her. She was a very special person and a great aunt. My condolences go out to Big Jim, Little Jim, Connie and the rest of the family. I hope that your sorrow is softened by the thought of her reuniting with many loved ones who have gone on before her.
