“ *My symphathy goes to the family of Doug at this very difficult time. Your husband/father was so wonderful, funny, honorable, generous and kind. He left us all way too soon.*

“ *I have truly enjoyed getting to know Doug this past year in Pathfinders. He was a gentle, generous and loving Christian man who will be sorely missed. Words can't justly describe the sense of loss in Doug's unexpected passing. I look forward though to seeing Doug again on the bright morning when Jesus returns!*
