“ Theresa, Valerie, Lowell, Camille, and family, My heart breaks for you all as you say good-bye to your Father. Such a dedicated force and source of inspiration. I will miss his positive attitude, bright smile, and commitment to the work of God. I am flooded with so many memories and shared moments from past decades. My heart sinks as I realize it may be a while before we are reunited in glory. I pray for God's strength and comfort upon the family as you walk through this separation. I have recently started a job with Children's Protective Services and will be in training in Seattle on the day of his memorial services. Be comforted and know I am with you in though.
