“ From Jeff Greenwood, retired B 757/767 Captain. I knew Duane quite well prior to his accident on the farm he loved so much. We were simulator training mates for the second officer position on the B 727. During the time I knew him we often talked of farm life, I come from a farming/U.S. Navy background. I knew him to be a devoted family man and superior aviator. My sincere condolences to the entire Koski family, Jeff Greenwood Nevada City, CA
