“ Major Rottsolk was the provost marshal, 3rd MP Battalion, combat base ai tu Quang Tri, Vietnam. Going trough my files to apply for social security I came upon my meritorious promotion and recommendation for the naval achievement medal with combat "V" signed by Major E. L. Rottsolk. I thought I might thank the major but unfortunately he is not with us. Ironically he was born in Aurora, Illinois where I graduated from Marmion Military Academy class of 1965. Rest in peach Major.
