“ I Last year I met Mr Roy and his wife when I was looking to purchase a motor home. I found Mr and Mrs Roy to be very kind and charming people and I was attracted to how genuine and thoughtful they were. 2 days after meeting them Mrs Roy passed away. I visited him to let him know how much I enjoyed her company although so brief. Today Mr Roy came into my mind so I tried calling to find his number disconnected. I did a Web search and found he passed away 2 days ago. I felt a a sense of loss for a man I had o lyrics spent time on 3 occasions. This says so much about the man to me and I know he'll be missed. To Royston family I share in thier loss and I'm sure to a much lesser degree. Having a man like Mr Roy as a family member must have been a joy. God's speed Roy you're in my prayers.
