“ Eileen, Though I hadn't seen you in quite a while, I will always remember how kind you were to me. As I read about your passing, I saw how special you were to your family and how your lovely daughter took care of you and misses you so much. You left a good legacy, Eileen. That is certainly something to be very proud of. Give Jesus a hug for me, I will see you again!

“ Eileen was a dear friend with a beautiful soprano voice. I loved singing with her in our Belle Cantori ladies choir. And though her voice is silent now, and her chair will be empty, she will never be forgotten. She was so loved, Darlene and Jerry Waybright
