“ My memories are the 83 years that we grew up together and living next door to each other for 25 years and raising our families. Mill Plain Church running the Sunday School Program together. and fun times at the Church Dinners. The times we spent in the outdoors Camping with our families, picking huckleberries , sitting around the the campfires, cooking the fish that we caught and of course the times in Ilawco and dancing. Funny memories come to mind of the great times playing cards with our brother the card shark and how you won most of the time. Our telephone calls and us talking about what a fun life we've had and reminiscing. Laughing and crying. You gave me comfort sharing how you were ready to join Bud and everyone in heaven. and the love that you had for your family. From my heart to yours. I will be looking out for your children and rocking that new grand baby for you. I will miss, miss, miss you until we are together again. Your loving Sister, Dort

“ Aunt Nene brought so many happy monents in my life and left me with a treasure trove of memories. Growing up I loved playing around the huge fish pond, barn and property. Best Angel food cake and cookies. The china doll she bought me for my 12th birthday. Camping trip with my folks and fishing and huckelberry picking. Playing a mean game of Rummy. What a beautiful long life filled with love. I can only pray my life will be as blessed. She will beloved and will be missed by all. Until I see you again, Love Jeanie
