“ *My condolences to the Jones family. My sister, Janet Heinrichs Wood and I were sorry to hear of the recent passing of your mother. We both have fond memories of your family and the many acts of kindness on the part of your mother and father. May our Heavenly Father be with you during this time and in the days ahead. My father passed away about 1 1/2 years ago. We use to enjoy reminiscing about those years spent in Rockaway and the friendships. God Bless.*
