

Elizabeth Jean Kruger

March 8, 1928 - September 29, 2012

Elizabeth Jean Kruger Elizabeth was born on March 8, 1928, in Greenwich, Connecticut. Through her years, she lived in New York, Texas, Wisconsin, Oregon and ended her journey on September 29, 2012 in Vancouver, Washington. Elizabeth left behind her 3 children, Leroy Driffill of San Antonio, TX, Renee Idar of Los Alamos, NM and Audrey Bair of Vancouver, WA. She was proud of her 8 grandchildren and 1 great grandchild as well. Elizabeth also blessed the lives of family and many friends in New York, Wisconsin, Texas, Oregon & Washington. Elizabeth worked as a waitress, secretary, and a childcare provider. She was a loyal, hard worker for over 40 years. Elizabeth had a love of both children and animals. There were countless times that she would bring home an animal in need, nurture them and make them part of our family. Elizabeth came to live in the Northwest in 2006 near Audrey, her husband Bob and her grandchildren Zachary and Taylor Bair. She enjoyed time surrounded by her family on their farm. She spent evenings sitting on the front porch watching the horses graze with her favorite companion, Fritz, at her side. When there was work to be done either around the house or up at the barn, it was difficult to have her relax as she always wanted to offer her help. Elizabeth's presence brought our family many blessings such as her sense of humor and the comfort that only a mother can bring. We already miss you greatly. Until We Meet Again Mom, I Love you.
