“ To have known Jeanne was such a blessing. I was honored to have worked with her and to have had her impact on my life. Jeanne showered us with LOVE and Kindness. I chose to marry on May 5th, to celebrate my special day with Jeanne's special day. I never will forget Jeanne's Love and special little touches of kindness she showed to us all. I look back and think Jeanne was an angel, she never got mad at Chris or myself for all the Shenanigans we used to pull. SHE Just loved us. Fannie Sawyer, Donna Whalen and Jeanne King HEAVEN has been blessed. I LOVE YOU !!!

“ I feel so lucky to have worked with Jeanne for so many years at the airport. Jeanne mentored Sue and I in life, and in our jobs. I will always be a better person for that. When we had to work holidays (which was quite often) Jeanne would bring us all gift bags to help ease the pain of missing our families. She will be greatly missed.
