“ *Ellen, was like a second Mom to all of us and as kids we grew up with Brian & Judy. Ellen and my Mom made my wedding dress and spent hours on it. We spent many hours doing 4-H work either at her house or ours. We all loved her so. She will be so missed but not forgotton. What a day of rejoicing in heaven as another one of God's angels enterd into his kingdom. Brian & Judy, our prayers are with you for his strength through this hard time. God Bless*
