“ To the family of Ellen (Teeny) Thompson: I am sending condolences on behalf of my sister (Valda) and me (Sharon) on the loss of our cousin and your matriarch. My mother (Little Sister (Ruby) Echols and Teeny were first cousins who grew up together in Mexia. They were very close. My mother passed in 2007, but she always spoke about Teeny with much love and reverence. I know they are probably catching each other up on the happenings in Heaven. God bless each of you and know that Teeny is resting in the arms of the Savior.

“*Family and Friends, When I first heard the news about Ms. Teeny passing, it really saddened me that I wouldn't see her again on this earth but, then joy came to my soul that I would see her again after my time ends here on this earth; along with my other friends and family that had gone on before. We all will have to leave here one day but, what's important still remains if one will be ready to leave this earth and I really feel that Ms. Teeny was good and ready. She had definitely ran her race so, God saw fit that it was time for her to go to be home with him. She had completed the task that God had placed before her. What a true Blessing that is! We amongst the living should not want to leave this earth until completing the task that God has set before us. Yes, we will all certainly miss her. But I know that she is in GREAT hands! We must all commune with the Lord to make sure that we are all on the right path to completing Gods Destiny for our lives. The life left, that God has graced us all here with. It's all about GOD not, about us. None of us know when our time will end. We must all strive to complete what God has requested from each and every one of us. I know that Ms. Teeny is smiling, laughing and singing with the Lord right now so that puts my heart and soul at ease. Mrs. Pat, Ms. Wanda and Ms. Valerie (Family), I am sorry that I was not able to be there with you all in person but my thoughts and prayers are going to the Lord on your behalf. Much, much love, I love you all! Family memories will remain with me always. Stay encouraged! Sheila Anderson*

“ Pat, Wanda and Valerie, My prayers are with you and your family. When I received the news that your mom had gone to be with the Lord it saddened me, but because I know she will be greeted first by the Lord then by Jewel, Charlene, your dad and others, I know that she will be at peace. I will always remember going to her house on top of the hill and something was always cooking on the stove and smelling good. I will always remember being at Community A.M.E Zion Church and sitting in the Frankie McCraw Fellowship Hall laughing and talking as we cleaned up after a service or a program. I'm sorry I could not be there but my love for her and so many memories will always be with me. Love, Sis. Martha Anderson (Johnson)
