“ We lived next door to Ellie and remained friends long after we moved away. She was the kindest, hardest working lady I ever met. She always loaded us up with her famous Crispies after a visit and we were lucky enough to have tried many of her recipes! She was so proud of her beautiful yard and her Fuchsias and Begonias! We were lucky to be her neighbor and friend. I have many wonderful memories of this lovely lady! I know she is happy to be with Rusty once again! RIP dear Ellie!
