“ I would like to express my deepest sympathy to the family. The Filipino people especially the people in Cebu are forever grateful for the missionary work she did in the Philippines. I had visited Elsie a few times through the years since I came to United States from the Philippines. She was always happy to see me every time I go visit her. She made me feel at home. I am very fortunate to have known her and to be one of her friends. She was a great person. I will miss her. May she rest in peace.

“ Elsie was always adored. With her sweet kind words, warm heart, and sparkle that lit up the room. She will be missed abundantly.
