“ Dear aunt Emma, I imagine you in paradise, in a cozy cottage with uncle Bill, filled with happiness and kitties. Thank you for being a role-model of strength and sassiness. God bless you.

“ Dear Tia Emma, I'm sure going to miss you and our talks. Thank you for showing me how to walk tall! I'm so glad you had the opportunity to visit so many amazing places around the world. I loved visiting with you and remembered when the kitties cornered me in the kitchen. We always wondered what they were planning. And the Totem pole in the rain, so magical only you right! Rest in peace dear Emma.

“ I remember visiting you in Oregon when I was younger with my mom. It was a wonderful trip I will never forget how beautiful and green everything was. You were so funny and sassy. I wish we could have visited with you more. Rest In Peace Emma

“ Thank you Aunt Emma for being a strong-willed feminine figure during my childhood and make me dream of traveling and expanding my horizon. Thank you for my astronaut Cabbage Patch Kids doll, is the only doll I brought home after moving from my mom 's house (she's missing the helmet and backpack, and the suit is under bad conditions after being washed for over thirty years). It comforts me knowing that you're now and forever with Uncle Bill, God may have you both in his presence and your love may be eternal. Gracias tía Emma por haber sido una figura femenina con carácter fuerte en mi niñez y por hacerme soñar con viajar y expandir mi horizonte. Gracias por mi muñeca Cabbage Patch Kids astronauta, es la única muñeca que traje a mi hogar cuando salí del de mi mamá (le falta el casco y la mochila, y el traje está desgastado después de ser lavado por más de treinta años). Me consuela saber que ahora estarás por siempre con mi tío Bill, Dios los tenga en su gloria y su amor sea eterno.

“ Thank you sister for have accompanied me during my childhood sharing games and teaching me the value of sisterhood. I will miss dearly your presence in this life, but I know that in the new one you are beginning you will have true life in the presence of good God, our father. Gracias hermana por haberme acompañado durante mi infancia compartiendo juegos y enseñándome el valor de la hermandad. Extrañaré mucho el que ya no estés presente en esta vida, pero sé que en la que inicias tendrás más vida verdadera en la presencia del Dios bueno, nuestro padre. - Fanny
