“ Emma,  
You have been in heaven for so long now, but never forgotten. Even though days pass here on earth and we go about our lives. You are always in our hearts. You have a little sister horizen who you would of loved. You are a big sister. I will tell her all about you when she's old enough to understand. You are a blessing and I hope you know you are our little angels. Tell grandma Myrl hi fir us.

Hugs little one.

“ I love you and will never forget you. You were here for a reason and taken away so soon for a reason as well. You weren't meant to live in this world. I hope you love the flowers I brought to our meeting place. Wish you were here, but your still in my heart and thoughts.  
Love Auntie Karma

“ All the things I want you to know, I believe you already do. I was so distraught at first. Now I use the senselessness to propel me forward. No matter how many years go by, I will never, ever, ever forget you & all that you could have been. And I will never stop missing Aiden. What a lovely boy & wonderful brother.
