“ *I'm still so shocked and deeply saddened by Eric's passing. He and I had some good times together in college and I'll always have those memories of him. I really enjoyed his personality, character and ethics. He is already greatly missed.*

“ *After a week, I am still at a loss for words at the unfair, untimely loss of Eric. May the boys and all of the family take comfort in the happy times that you all shared with him. Cooper and Jack, I have never met you two but have heard so much from your Aunt Marta about you and I am sorry for the losses you have had to face. My love and thoughts are with you all right now.*
