“ Ernie, you were a friend indeed. I will always remember the places we went, all the photos I have and videos of almost every road on the United States map. I just wished I had taken time to come visit you more in the last few years. Love you always. Sharon and Bert

“ Ernie you will be missed! You were such a good friend to my little sister Sharon for so many years. It was fun seeing you up in Klamath, and on the trips you made down to California to bring Sharon to visit her big sister. I can just hear you blow that horn saying C-ya soon, on your last trip to heaven!

“ You will be missed always. I wonder now if you knew how much it meant to me having your unconditional friendship. My boys will remember those talks that made them think... and laugh. Goodbye dear friend. My tears are for my loss, your journey has just begun.

“ Uncle Ernie will really be missed. I will always remember his wonderful and contagious smile, his quiet calmness, and how much fun he was to hang out with, especially at the family Christmas. My thoughts and prayers are with you all and may all the pain be replaced with happy memories to comfort you. Love ya, Judy
