“ On behalf of the congregation of the Warrenton United Methodist Church we offer Beverly and the family our sincere sympathy. Gene would light up the social hall and sanctuary with his smile and loving presence. I will never forget how he would declare, "I love Jesus!" Our arms of love are around Beverly. Blessings

“ I am lucky to have had 3 GREAT men in my life. Gene Beach, Vernon Hart and Will Carlson. I loved and respected them all. I was lucky enough to not only call Gene Beach my friend. But also my DAD for 45 years. Gary Beach

“ My memories are many of the friendship we shared with Gene and Bev. He was always a gentleman and the love of Bev's life. We met Gene at square dance lessons in Vancouver and had the most fun when we goofed up and at the times at the pizza parlor afterwards. Then we loved our camping times together and when they met us at a points south with our matching motorhomes. A dear memory is when Gene came to Corvallis to "assist" Ralph in building a rocking horse that Ralph wanted to give to a doctor friend's new baby. Ralph was no long able to do this, but Gene made it happen so that Ralph could give the gift he so badly wanted to share. Gene was a modest, get it done type guy. He was always willing to help and had a smile as he did so. His family was his priority after Bev and his love for friends was always evident. Even when I saw him the last time in a wheel chair, he was smiling and said, "Hi Jeano". I send much love to you, Bev and to all the family. Jean Burba Shyrer
