“ *My grandpa was a great man that many have looked up to, including myself. He was there for many and would drop all that he was doing if someone needed him. He was a great and strong man all the way to the end. You couldn't keep my grandpa down! I will always see my grandpa like a second dad. Love you and miss you now and forever!*

“ Our hearts and thoughts are with you during this time of grieving. Please know that you are not alone in remembering a truly wonderful person. Try to remember the little things, the shared smile, the warm hugs, the laughter- the pain might seem unbearable now, but in the time, it is these memories that will win through and you will find happiness again. Our thoughts are with you. I remember Uncle Gene and his famous "chicken leg", he got me everytime! He loved country music and we would sing to records, John and Rick would play guitar along with Mike and Randy and he would have everyone laughing and singing before long. I remember him dancing with Aunt Lucille, making her blush like a young bride. He loved his shirts starched and his boots shined. He was a true fighter and over came alot in his life time. Thanks for the wonderful memories Uncle Gene you will be missed ~ Much Love, Shelly and Rick
