

Eugene S. Smith

February 14, 1932 - December 10, 2025

A loving husband, father, grandfather, great grandfather and friend.

Survived by his wife of 67 years, Maureen.

Born on a farm in SW Missouri. He had his pilot's license before his 16th birthday.

Served 26 years in the United States Air Force as a pilot flying B-47 and B-52 airplanes. Achieved rank of Lt. Colonel.

Tax Accountant until retired at 70.

A kind, easy going, smart, good man.

Gene had a servant's heart. He was always there to lend a hand to anyone who needed help, whether it was a neighbor who needed to borrow something, a single mom who couldn't afford to have her taxes done or a friend with an emergency in the middle of the night.

Gene had a blessed and well lived life. The world has lost someone very special, and he will be greatly missed by all who knew him.
