“ *Eva was the youngest person I knew. She was so full of life and genuinely interested in everything practical, mechanical, anything that guys were into Eva was too. She was one of the boys. You made me laugh so much Eva and you really made my whole trip to the USA so much more awesome just for meeting you. I wish I had the chance to have met Bob. V8s, Guns, Pancakes and Beer will always remind me of ya. I hope you are hunting with your brothers again and sipping cold beer in the shade with Bob. Sleep well my friend. I will miss our catch ups. Lots of love from your Kiwi pal, Andy Bates Xo*
