“ Aunt Evelyn will always hold a special place in my heart. She loved when the family got together and she could get some girl power going. I loved that she would greet you with a big hug and a welcome that made you seem special. Visiting her and Uncle Harold was always a treat. May she be happy in the arms of the Lord and hope that she causes a little "trouble" in heaven!,

“ Auntie Evelyn will always have a sweet place in my heart. Visiting their welcoming, happy home, my early memories include the painting depicting Jesus knocking at the door, the tours of their roses and garden- great teaching moments. Evelyn's quick wit, dry humor, sweet laugh, generosity, spirit of adventure, and can-do attitude remain fresh in my mind as well as her ability to listen, hold my hand, give good advice...and nice hugs. As a country, farm kid, I looked forward to staying with the city cousins in the Antidel home. It usually meant sleeping bags and waffles from scratch in the morning! Evelyn's Coffee Cake recipe has been a Coombes family favorite since the 60's. I learned that willing hands working together make fun work while summer canning. Evelyn's mother, and sisters always laughed, talked and shared family insights. She's fondly remembered and now happy in her Heavenly home reunited with loved ones and her Lord. Loving you Auntie™; Deanna and family
