“ To the Family of Evelyn Clark, I am so sorry for your loss. I was so lucky to know your Mom, Dad, Dennis, Marsha, Allen, Susan, Doug and Tracy. I will never forget you. I may have not been good a friend, but I always think of the fun we had. You were a major part of my childhood and I will love you all for what you did for me. I miss Allen and think of him so often I was very lucky to see Evelyn and Susan last year, fate brought us together. Mom and Evelyn were at the same Assisted Living Facility. In the short time I was able to visit with Sue and Evelyn, it brought back so many memories, Sue is still as fun as always. I will never forget the last words your Mom said to me, "I love you". I felt you were the greatest family and I am grateful we lived so close. Please take care, again I am so sorry. With love always, Christy
