“ *I will always remember, among other memories, the yahtzee games that we would play while I visited when I was younger.*

“ *My earliest memory of my Aunt Evy is from about 1953. We didn't have a TV in our house at that time, so I would go downstairs to watch "The Rangerider" with Grandma and Evelyn. She took me to see the "Rangerider" at the Cleve. Arena, and bought me my first cowboy hat. Even though that was almost 60 years ago, it is as fresh in my mind as if it happened yesterday.*

“ *Dear Mom, What a wonderful mother you've been. You always had time for me growing up and always listen to me no matter how long I talked. You called me your little magpie. Thank you for being there. I love you and I'll miss you. Karen :)*
