“ I just learned of Felice's passing & my heart is broken. I've known her all her life; our mothers went to high school together & she was my mom's first godchild. Our families grew up together, vacationed together & had a lot of good times. Felice & her mom even "crashed" my wedding in Puyallup over 20 years ago! I am so grateful that we caught up with each other before she left & I know her Nina was there to greet her when she made it home. So much love to Mark, Mona, Vince, Kevin, Angel & the rest of her family. Bless her soul.
