

## Frank G. Bullis

June 20, 1938 - November 20, 2024

It is with a broken heart that we report the loss of Frank Bullis. Born in Meadville, PA, Frank was a lover of all things aviation. He served his country with the US Air Force from 1957-1961, and then went on to work for United Airlines for 30 plus years. After he retired, Frank split his time between traveling the world with the love of his life, Marion Deasy, and tending to his large yard, many flowers and plants. Spending every second of daylight out back, he took great pride in the upkeep of his beautiful yard. Frank had two other loves in his life, Chevy Corvettes, and THE Ohio State Buckeyes. Having owned his '58 Corvette since 1959, he was able to enjoy playing with a few other Corvettes late in life. Every Saturday morning, you could find him in front of his fireplace, eating popcorn and watching his beloved Buckeyes! Football season was his favorite time of year, and he looked forward to the Bucks kickoff every fall. Frank was predeceased by his wife, Marion in 2018. He is survived by his four siblings, Glen, Dorothy, Jim, And Eve. Frank had one son, Dan whom he passed on his love of Corvettes to and he loved talking about Dan's racing with anyone who would listen. Services will be held at Evergreen Memorial Gardens on Sunday, December 1 st at 12:30pm.

“ Frank was the best neighbor we could have ever hoped for! He watched our girls grow from babies to young women over the last 20 years, taking them for a cruise around the block in his beloved '57 Corvette...they always loved getting a chance to ride with Mr Frank! You'll be missed, my friend!
