“ I was lucky enough to get to spend quite a bit of time with my grandpa growing up. Hearing all his stories in which he was a great story teller. Helping feed the chickens and cows. Go on hunting, fishing, and camping trips. Also going for ride-alongs, and helping with repairs on the dump trucks. He will be missed...

“ I am so very sorry for your loss. Fred was an amazing person. I will always remember that when I worked for Frank Sisseck (Frieda's Yard & Garden) and Frank taught me how to load trucks with topsoil. Fred was brave enough to be the first person to let me load his truck! I will miss his laugh and his big smile.

“ I am truly at a loss of what to say. Grandpa to me and great-grandpa to my children but honestly a great, wonderful, caring grandpa to all of us. Not many can say that they got to go hunting with their great- grandpa, but my son can. Not many can say they've gone camping with their great-grandpa and got schooled at bean bag toss, but my daughters can. We have lots of wonderful memories of him, and his stories were the best. He built a wonderful family and will be dearly missed by all those fortunate enough to have had him in their lives. I feel blessed to have had him in our lives. We love you grandpa!
