Evergreen Memorial Gardens - July 03, 2025 at 08:46 PM

“ One of the best people in my life, taught me many things about life. Stuck to his old ways I appreciate everything he had to offer to us all while growing up. Western weekends with you and gran, to days out in the sun It was a wonderful joy. Me and my kids will always love you even when times were rough. Love you forever and always papa Miranda <3
