“ Bill, Annette and Family. I was so sorry to hear about the lost of Freida Fay. My condolences are with you and your family. When I was young (a teen), she came over for many visits with my mom and dad. I liked be around her. I will always have good memories of her. Now the grieving process starts. We know two things: 1st, that she is in good hands above and 2nd, we will not forget her. Try not to think of the lose, but think of the good times you had with her. Take care. Love Bill Ramseyer

“ Your mom watched us (6) kids when we were young. I watched you when I was a teen. Annette you watched my daughter Dianna when you were a teen. I worked with your mom. She always had fun stories to tell. I always loved spending time with her. Be assured that she is with God and with all her friends and family. Bill I don't know what it is like to have a spouse pass I can't imagine the pain you are going thru. Take time to grieve. That is the healing process. May God help with this process. May you know I am think of both of you and I am sorry for your loss. Love Theresa

“ I will always remember spending the night with you Annette at your mom's apartment. We would stay up half the night on the hide-a-bed giggling, and your poor mom would have to tell us a hundred times to quiet down ;) She would warn us that I wouldn't be allowed to stay again....until next week when I was back and we were back at the shenanigans ha ha! I will always remember your mom as a very sweet person who loved you so very much. My condolences to you and your family.
