“ Gail was such a sweetie and so willing to help. I knew her through Vancouver Women's Connection. I will miss her and her cheerful smile. Betty Hartman

“ I first met Gail when she came to Vancouver Women's Connection all by herself to our brunch at Royal Oaks Country Club, shortly after she retired from SW WA Medical Center. Since she lived only 3 blocks from me and did not drive, I picked her up many times to take her to Stonecroft events and the VWC Brunch. She was always so cheerful and full of the latest mystery novel she was reading. I admired Gail for her courageous exploits. For instance, when she was just out of high school, she decided to move to San Antonio all by herself for an adventure! She really missed her late husband and was so sorry they never got a chance to spend her retirement with him. I will miss Gail and her sunny personality and smile, but I know I will see her again someday in Heaven. She left us too soon!
