“ Love you Guys!! He loved that job. And I can only imagine what kind of a person he was to work with, as he was such an amazing father and father in law!

“ Denny met & became friends with Gary at Moore Drykiln. Gary was the shop's favorite engineer. He understood the need of men in the shop. He was a great friend. Denny became friends with Gary's son, Ray at LSI and they became friends. Later in years Denny met Janelle, who is Wendi's aunt. So becomes our small world. We are one in all. He will be missed by everyone in his life. Our loving thoughts are with his family. Love, Denny & Janelle

“ My sincere condolences to the Allen family and may the memories you have help you through this difficult time but also bring smiles to your faces knowing Gary had a long good life; I can still see clearly the Allen home down from the "big hill" of 60th street and all the activity that had taken place there! Rest assured that he will be well taken care of and is in peace. Lisa
