?? In Loving Memory of Gary and Joanne Tosh ??

It is with heavy hearts and sadness that we share the news of the passing of our parents, Gary and Joanne Tosh. They left this world just 15 days apart of each other, after sharing 52 years of love, laughter, and memories together. Gary was a man of few words but deep passions. A true adventurer at heart he had a love for gold panning, fishing, and exploring the untamed wilderness. His pursuit of hidden treasures and his love for nature were unwavering. His stories will forever echo in our hearts, reminding us to embrace nature's beauty and appreciate the simple joys life offers.

Joanne, on the other hand, was known for her creative spirit, she was a talented quilter, painter, and needlework enthusiast. Each creation she meticulously crafted with her artistic touch brought beauty in every little stitch and warmth into our lives, leaving behind a legacy of cherished handmade treasures that will forever remind us of her love.

Together, they shared a deep love and compassion for animals. Our home was never without a furry family member. They adopted pets and welcomed them as their own. Within the family, it was known don't leave your pet with them, you may not get it back. Based on history this happened at least three times!

We invite you to share your own memories, stories, and thoughts of our parents Your love and support mean the so much to us, and we are grateful for your kindness during this difficult period.

A celebration of Life will be held at Evergreen Memorial Gardens in Vancouver in the hospitality room on September 16th, at 12:30.

We take solace in knowing that they are reunited once again, their spirits forever intertwined.

Rest in peace, we will forever carry your love in our hearts. ????
