“ It was a pleasure to have known Gary Anderson, his wife, Linda, and their family. He was a true American hero who served his country, his God and his family well. Let him be a proud example for his children, grandchildren and friends on how to live a good life. May he rest in peace for all eternity and may those who miss him find comfort in the Lord and celebrate his new home.

“ I really enjoyed working and getting to know Gary during his last years at Customs before he retired. We became good friends, and he helped me with some household tasks that I couldn't do. I'm happy that his down way turn has ended, and he is in a better place.
