“ My memory of our Gary is, the 1st time we had met. He had a flat tire in the parking lot at Jake's. I was there hanging at the BIG table In the middle of the bar, it was OUR TABLE lol At the time I didn't know everyone at that table, being new to the crew, had gone out to smoke, and saw him in the parking lot looking at the very flat tire. I just piped up and Said " I Have insurance to cover any thing I'm in " So we called and waited to have them change that tire. We laughed and laughed and let them think I was driving his car..... no cost to any one lol GOD I will miss that man. 😭 Love you Cindy
