

Gay Lyne Gaylord

August 6, 1959 - February 28, 2023

Gay Lyne Gaylord, age 63, transitioned peacefully on February 28, 2023 in Vancouver, WA. She left this earth surrounded by loved ones. Gay was not only the light that shone in every room she walked in; but a beloved mother, wife, grandma, sister, aunt, cousin and friend. If you knew Gay you were blessed by her hugs and probably a kiss too every time you saw her and again when parting. She loved life, and cherished every day she was given. Gay had such a deep appreciation of the ocean and spending time with the people she loved. It seemed only fitting to dedicate a day doing just that. In remembrance her close family and friends will be gathering August 5, 2023 at one of her favorite beaches to celebrate her life and reminisce on all the good memories she gave each of us, as well as her promise of "later".

“ I owe my aunt so much for the support she's given my mother after she lost her home up here in Alaska. Without her I don't think my Mom would've made it where she is today, I really wish I could spend more time and talk with her as sounded like a very wonderful individual. I will miss you very much, Aunt Gaylene - and I'm sure we see each other one day.

“ I met her when I got a job at Fred Meyers, she always helped me to have a better attitude and more positive view of life. We started going camping to celebrate her birthday every year until she moved away. Only us girls, it was the highlight of the year for alot of us. She was a good listener helping me get thru alot. I loved the home she made with Gerry and spent the nite once a week for years with them enjoying Netflix series and movies. We went thriftstore shopping and garage sales finding treasures, I cherish all the time our Good Lord gave herto me

“ I first met Gay when my son Eric married her daughter Shannon. I thought she was a very sweet and special person. She welcomed us to the family as well as her home. We went out to dinner together and we became fast friends like we had always known each other. She had a good heart and is and will always be missed by many. Rest in heaven dear friend.

“ Gay lyne, a kind lady, one of my memories of you is you sweet smile, your supportive hugs anytime you left to leave. I never heard negativity, or talking bad of anyone from you, you knew you were not perfect, Even Everything you went through in your life, you choose kindness and I will remember you for that.

“ I was fortunate enough to be able to spend the last 5 years with my beloved sister. Living together with the laughter and the love and the hugs and the kisses the tears and support we gave one another. The Seahawks games will never be the same without hearing that AWOOGA!!! I will always remember her smile and her love and how she saved me 5 years ago and took me under her wings. Now she flies freely with those wings and I will forever look into the sky and find her when I need her. I love you sissy you will never be forgotten. Love Karen.
