“ My daddy, my number one fan. I miss you sooooo much. I know you are watching over us and watching us get all this together for you. You were the most amazing person I've ever met. My one and only daddy. My heart weighs heavy on these days but I know you are up there guiding me. I hope it's what you thought it would be. Save me a place ok? Right there next to you. I promised you I would watch over mom and I have been. You are dearly missed and no one will ever take your place in my heart. I am your number one and I will hold that spot till forever daddy! You were always my number one fan I will always be your number one I love you I have to many memories of you to share, but know I think of you each day. “ Dear Lord, Thank you for the time you gave us with George. He was the sweetest, gentlest man, with a heart of pure honey. Please help his survivors navigate life without his great presence, knowing he is always guiding us with everything he taught us. His wisdom lives on in all our lives. Amen. To the family: may each of you walk along your paths with his memories by your side. Know that he loves you, and will forever be part of your lives. I will cherish the little time my part o the family was able to spend with him. His guidance is awesome!
