GEORGE HJALMAR JOHNSON August 13, 1934 ~ November 21, 2023

George was born in Portland, OR, and raised in the Seattle area by his loving parents, George and Nora Johnson. George and his younger brother, Curtis, were always close. They enjoyed many sports including baseball, swimming and of course golf. George attended the University of Washington and graduated with a degree in chemical engineering. He loved his Husky purple and gold, and supported the football team throughout his life. During his time in college, he met his wife Beverly. They remained married for 62 years. In 1964, George and Beverly moved to Vancouver, where they raised their two children, Curtis and Kathy. George spent most of his business life in Real Estate sales and property development. George was a member of Royal Oaks Country Club for 55 years and lived on the sixth hole for 30 of those years. He played golf most days and enjoyed teaching his kids the game he loved. Besides golfing, being on the water was a favorite place for him. Whether on the Columbia River or in the San Juan Islands, he loved the adventure and peacefulness boating offered. George also found pleasure in automobiles, enjoying a red 1960 Porsche 356 for over 45 years. Later in life, George endured a struggle with dementia that brought out a playful, funny side in him that we had not seen. The caretakers at Touchmark would describe him as funny, kind, and easy to be around. The stories will keep a smile on our faces forever!! George is survived by his wife, Beverly; and his two children, Curtis and Kathy; and grandchildren, Sofia and Cristian, whom

he loved dearly!!He will forever be missed.
