“ *So in the roar of mortal things, He has a place where his spirit sings,
In the hollow of the palms of grace, light, and love. Take care*

“ *Im so sorry to see that Mr. George has passed away. I had pictures
in my heart and mind that he and Dianne would live eternally in this
life. They both were a blessing in my life when I needed a helping
hand . I hope she is in good health, and has many more wonderful
happy years.*

“ *George was such a nice guy. Always had a smile on his face no
matter how sick he felt. He was the perfect guy for Dianne & I was
happy to see them so happy together. May the Lord's love wrap
around you Dianne. The last few years have been a real trial for
you. We love you very much...Jess & Donna*
