“ Gerald (Jerry), Helped us find & build our home here in Washougal . We had no idea on who to look for to help us when we moved up here and it was our great luck to find Jerry. What a great time we had with him on our excursions & lunches. That man had a wonderful sense of humor and we were so sorry when we heard the news . Will miss him and wish we had kept in closer touch. A good guy with a Big Heart. Jim & Cathy
