“ When Lynne and I were just talking about Keith, she would remember something that Keith did or said. I knew immediately that was just exactly what Keith would have done or what he would have said. He was a fun, fun person to be around. My heart hurts for my friends, Lynne and John, who were such wonderful friends of Keith's.

“ What a wonderful 50 year friendship we shared with Keith! He was part of our family...the kind you get to choose. We will always miss his humor & kindness. He loved us & we loved him! Lynne & John Oldham

“ Have many happy memories with Keith in school at Trent. He was my first boyfriend. I remember we got matching yellow sweaters at Christmas 🙌
