“ Geraldine was a very well placed landmark in my life. She and her whole family took me in from another state. they all knew I had problems with school and family and abuse. I did then as a still do now have a wonderful big heart I lived with Geraldine as my mother for 1 year when I was 18 years old. She guided me to get my G.E.D. in education which wasn't easy for me at the time. I loved the attention and caring Geraldine would give me. She would make sure I got to her church and felt wanted. Tina, Andy, And Geraldine were defenately a milestone in my life. I went from bottom of the bottom \and i actually climbed a few steps up in life, At that time in my life, I didn't think it was possible. I love you all and I hope to see you in Heaven. Wish I could have wrote this when this happened, but I just found out. Scott Jorgensen jorgensen.scott@yahoo.com
