“ *Our Dad was an incredible man, and I miss him terribly. I know he has moved on to a better place without pain and frustration. I also know that I keep expecting him to call me at any minute to get him an espresso, or to argue with me about politics, or just to let me know how proud he is. Always the smartest man I will know...I love you Dad. ~D~*

“ *My father was one of the most important people in my life. He was my mentor, my friend and of course our loving Dad. While I cannot bear to think of not being able to just call him, or having him come over, not being lost in his hugs, or straightening his hair after a kiss, I know he will live on in our lives daily through both myself and Dawn and all of his grandchildren, Alore, Raleigh, Miranda, Zane and Isabelle. We see him everyday in our children. I know he's in a better place. I love him so much. Goodbye Dad-L*
