Glenda's passion in life was Jesus and her family. She spent much of

She was involved with her church all her life. She and Ray enjoyed their antique car clubs as well.

“ Mom, I love you and miss you so much. I was blessed to have experienced a childhood filled with unconditional love, regardless of whatever wacky thing I did or rough patch I went through. You were always there with a hug and encouraging words during the great moments or a hug and soothing words during bad times. I will also miss your love to laugh and be silly with us. We loved to tease mom that she photo bombed us (see below picture) even though I can't take selfies very well. Daina Sage Muffett

“ Glenda was such an amazing kind and loving soul. Having been able to know her for the few years I did, truly blessed my life. Her loss is ours, although she's now in a comfortable place, losing her presence will always hurt. Thankfully our memories can maintain her infectious laughter. Thank you so much for allowing me to share my life with Daina and being a part of your life. We miss you.

“ I will always love and miss you grandma! You and grandpa were my rock that kept me steady and my backbone that kept me strong. I will forever be grateful for your love and guidance! I really could have never asked for a better grandmother! Though you are no longer here on earth, you will still always be here with me in my heart. And I know that you will be watching over us all! Rest in peace grandma, I will love you always!

“ This is my favorite picture of Mom & Dad, 2011. Great-grandchild birthday party in the park. They loved family gatherings for sure. They are the reason I am what I am. I'm grateful for such a blessed childhood. Missing her is an understatement! Love Love, Coni

“ The most amazing Grandma anyone could ask for. A great example of a loving Christian woman. She had pure love for us all and taught our family what unconditional love is. I am thankful God provided me with such a caring and loving Grandma. I will forever cherish the memories from when I was a child on through my adulthood with my own children and husband. Holidays were so special along with family dinners. She loved to tell everyone how many kids, grandkids and great grandkids she had. She loved each and every one of them! One picture is Grandma and Grandpa eating at Olive Garden on their wedding Anniversary a few years back. They were just several weeks shy of their 65th wedding Anniversary at Grandmas passing and they were the TRUE definition of LOVE! Another picture is of Grandma, Jared and myself peeking at baby Jeffrey through the hospital window in 1989. The others were of some visits with her. I love you Grandma, your home now! 💕 Tammy 💕

“ Sadly, we lost our beloved Mother and Best Friend on 11/23/21. The memories are too numerous. As with any family, she was the glue and will be missed sorely. We know she is now dancing in God's Glory. She will always be in our heart's. Take Care. We love you all! Coni, Vicky, Daina, & Roger
